1. **Hours of Operation:** We are available 8:00 AM-12:00 PM Monday-Friday and 1:30 PM-5:00 PM Monday, Tuesday, Thursday, and Friday. For after hour emergencies, an on-call physician is available through our answering service or seek immediate care at the nearest Emergency Room.
2. **Hospital:** Our physicians utilize Baptist, Christus, and Methodist hospitals for inpatient care through coordination with staff hospitalists.
3. **Appointment Time:** Out of respect for your schedule, we strive to stay on time with our appointments. In order to assist us with this, we ask that you arrive at least 15 minutes prior to your scheduled appointment. Patients arriving past their appointment time may need to be rescheduled. In order to stay on schedule, multiple problems may need to be addressed in follow-up appointments.
4. **Annual Physicals:** We emphasize preventive care as a valuable tool for better health. Appointments for physicals will be devoted to preventive services only, an additional problems will need to be addressed at a follow-up visit.
5. **Your Physician:** The relationship with your personal family physician is integral to your care. Once you have established care with a physician, all appointments should be conducted with that physician. In the event of an urgent need, another physician may treat you; however, you will return to the care of your personal physician for future appointments.
6. **Cancellations:** We require at least 24 hours in advance when cancelling or rescheduling your appointment. If you fail to cancel or reschedule your appointment, this may be considered a no-show or missed appointment. After 3 missed appointments, we may decide to terminate care. A \$25.00 fee will be charged for each NO-SHOW appointment.
7. **Refills:** We have found that processing refills through your pharmacy is the most efficient and accurate method. We request you contact your pharmacy first, and they will call/fax us with the necessary information to refill your medicine. No refills will be done after hours or on weekends except in cases of a medical emergency (defined as a threat to life, limb, or eyesight). Please allow 3 business days to process refill requests and 5 business days if a prior authorization is needed from your insurance.
8. **Payments:** All applicable fees, deductibles, coinsurance or copays must be paid at the time of your service. This office will verify your benefits to the best of our ability once you supply your correct insurance information. Verification of coverage does not mean that all services rendered will be covered during your visit; however, and uncovered services may be your responsibility to pay. Outstanding balances must be paid prior to further appointments.
9. **Staff Support:** Both our physicians and staff are dedicated to your health. Because your physician is not always immediately available, many questions or concerns can be addressed by communication through our staff. If you desire to speak with your physician, it is appropriate to schedule an appointment. Our nurses and medical assistants are extensions of our physicians and serve as valuable resources in delivering timely care, so please treat them with respect. Any discourteous behavior towards our staff will not be tolerated and result in termination of care.
10. **Paperwork:** We are happy to complete paperwork/forms related to your health care, and we ask that you make an appointment specifically devoted to completing these forms. If the physician determines you do not need an appointment, we require 5 business days to complete the forms. There will be a \$25.00 fee due at the time of drop off.
11. **Noncompliance:** Your total health is the result of a committed partnership between you and your physician. We reserve the right to discontinue this relationship for noncompliance with health your health plan or any of the above policies.
